And whereas Section 7.17 of the Student Government Election Code reads:

1. All expenses must be disclosed *at fair market value* on the provided Disclosure spreadsheet and submitted *on time* to the respective ESB member.
 - 1a. *fair market value* is defined as the value that any candidate is able to acquire the product or services on the general market
2. Disclosed expenses must include any tax paid on the product or service.
3. Disclosed expenses do NOT have to include shipping on the product.
4. If a service or product was free to the candidate, it still *must be* disclosed on the form as a \$0 expense. Additionally, proof that this product was available to all candidates for free must be appended to the disclosure submission.

5. Forms will not be accepted in any other format than .pdf with the name “lastname_firstname_#” where the candidates first and last name and the number of the financial disclosure is included.

Any candidate that does not follow these guidelines will be found in violation of Sections 7.14 and 7.17, and may have a complaint filed against them.
