

# Election Supervisory Board Advisory Opinion

## (ESB/AO 2015-005)

*Subject: Public Knowledge of Election Supervisory Board Hearings and Complaints*

Whereas the Judicial Court released Opinion No. 2014SE – 002 on February 27<sup>th</sup>, 2014 referencing the transparency and clarity of the Election Supervisory Board’s Complaint and Hearing processes, the 2015 Election Supervisory Board has implemented new avenues to inform students of such approved complaints and hearings.

Complaints that warrant a hearing by the Election Supervisory Board will be made public by the following:

- 1) *Physical Poster: The Election Supervisory Board will publish a poster and place it on the doors of the Student Government Suite in SAC 2.102.*
- 2) *Website: The Election Supervisory Board will manage a document under the “Hearings and Resolutions” tab on the utexasvote.org website. On this webpage, students will have access to view a document with current complaints. If the Election Supervisory Board determines that a hearing is needed, then the time and location will also be listed on this form.*

Therefore, the 2015 Election Supervisory Board feels confident that all approved complaints and hearings will be available to the public in a timely manner and respectfully abide to the advice in Judicial Court Opinion No. 2014SE – 002.
