WHEREAS, The Student Government Specific Election Code, however, does not provide guidance on the specific times and deadlines for financial disclosures for First-Year Elections. First-Year Elections does not fall under the authority of the Campus-Wide Election Code. Thus, the ESB has the authority to determine due dates and times for financial disclosures as described below:

First Financial Disclosure: Wednesday, September 17, 2025, by 4:30 PM CST
Second Financial Disclosure: Wednesday, September 24, 2025, by 4:30 PM CST

WHEREAS, The Submit Financial Disclosures form will be available on the student elections site for all candidates. The candidate must file their expenditures as well as their in-kind donations and agents/worker lists through the “Submit Expenditures and Agents/Workers” portal on the website. The second financial disclosure will become available for submission after the due date for the first. The candidate can only submit each disclosure once. If changes are needed to correct errors, the candidate must email ESB at esb@austin.utexas.edu with details requesting the correction as soon as possible.

WHEREAS, Campaign receipts can also be submitted online. The candidate will be required to redact sensitive information (i.e. last four digits of any credit/debit card numbers), create a single PDF containing all their receipts for a particular financial disclosure, and appropriately name the PDF file in order to submit their receipts through the “Submit Campaign Receipts” portal on the

website. Candidates should visit the “Submit Campaign Receipts” portal in advance of each financial disclosure due date for step-by-step guidance on submitting their campaign receipts.

WHEREAS, These forms must be submitted before their respective deadlines have passed. Each candidate must submit their Expenditures and Agents/Works regardless of whether the candidate has anything to disclose on the form. However, a candidate who has nothing to disclose does not have to submit campaign receipts as they would not exist.

WHEREAS, These forms must be submitted before their respective deadlines have passed. Each candidate must submit their Expenditures and Agents/Works regardless of whether the candidate has anything to disclose on the form. However, a candidate who has nothing to disclose does not have to submit campaign receipts as they would not exist.

For example: Jane Smith is running for an elected position but does not plan on spending/has not spent any money on her campaign. Jane Smith still must submit the Financial Disclosure expenditure and agent/worker form by the deadline by inputting a zero-dollar amount. Jane Smith would not have to submit any campaign receipts.

- a) Failure to submit the first Financial Disclosure Form by the deadline will be met with a Class A Violation.
- b) Failure to submit the second Financial Disclosure Form by the deadline will be a Class A Violation.

BY THE POWER VESTED IN THE ELECTION SUPERVISORY BOARD OF THE
