

UT Volunteer Fair

Wednesday, October 2 - 10am-2pm

FREQUENTLY ASKED QUESTIONS

Q: I want to attend the fair and find volunteer opportunities. What should I do?

A: Just show up! No need to sign up or register - individuals, instructors, or student groups looking to meet organizations that are tabling are welcome to stop by the fair anytime from 10am-2pm

Q: My organization is looking for volunteers - how do I sign up to have a table?

A: Organizations looking for volunteers are welcome to table at the fair! Registration is online through the VolunteerUT portal on GivePulse. Registrations are all approved individually by VSL staff, so there may be a delay from the time of your signup to your registration approval.

Q: Are there a limited number of spots available for organizations?

A: Registration for organizations is first-come, first-served for the first 60 organizations. After 60 organizations, any signups will go to a waitlist and will be assigned a table as cancellations occur. You will receive a standard confirmation immediately following your registration, and a few days before the event, registrants will receive detailed instructions for parking, check-in, etc.

Q: What is provided to organizations who are tabling?

A: Tabling organizations will have a table and 2 chairs on Speedway Mall. Restrooms and water access are close by in the William C. Powers Student Activity Center. Free wifi is available through the utguest network.

Q: Is parking validated for tabling organizations? Where should I park?

A: Unfortunately we cannot provide parking vouchers or validation. Brazos Garage (MLK and Brazos St.) is the closest available garage to Speedway Mall. Use flashers to park along 21st St and drop off materials on Speedway. Handicap accessible parking is available along Inner Campus Drive. Note: Organizations bringing animals on a trailer are eligible for a trailer parking permit. Those who list a live animal guest in their registration will receive instruction once their registration is confirmed.
